

## ST GREGORIOS COLLEGE, KOTTARAKARA

ANNUAL REPORT 2019-20

### TUTORIAL PROGRAMME

The tutorial programme begins its activities for the academic year 2019-20 on 21/08/19 with a discussion about the topic “e-books or paper books- which is better for reading”. All the eight departments of the college had participated with great enthusiasm. Students actively discussed about the pros and cons of both e-books and paper books. Most of them interested in reading paper books.

On 17/9/19 discussed about "Flood and Drought Management". Students were discussed about the area prone to flood, damage from flood, water resources development in India, how to approach drought and flood, institutional arrangement etc. On 21/11/19 discussed about “Women Empowerment”. Students discuss about the extent and successful implementation of women empowerment in the Indian context

On 13/12/19 discussed about “Plastic Ban in Kerala”. Kerala government has decided to ban single-use plastic items from the new year. Students actively discussed about the advantages and disadvantages of this decision.

On 29/01/2020 discussed about devising a national and state policy for waste management. Students discussed about various strategies that can be adopted by the state for responsible waste reduction, elimination and disposal.
