**ALUMNI FEEDBACK REPORT 2019-20**

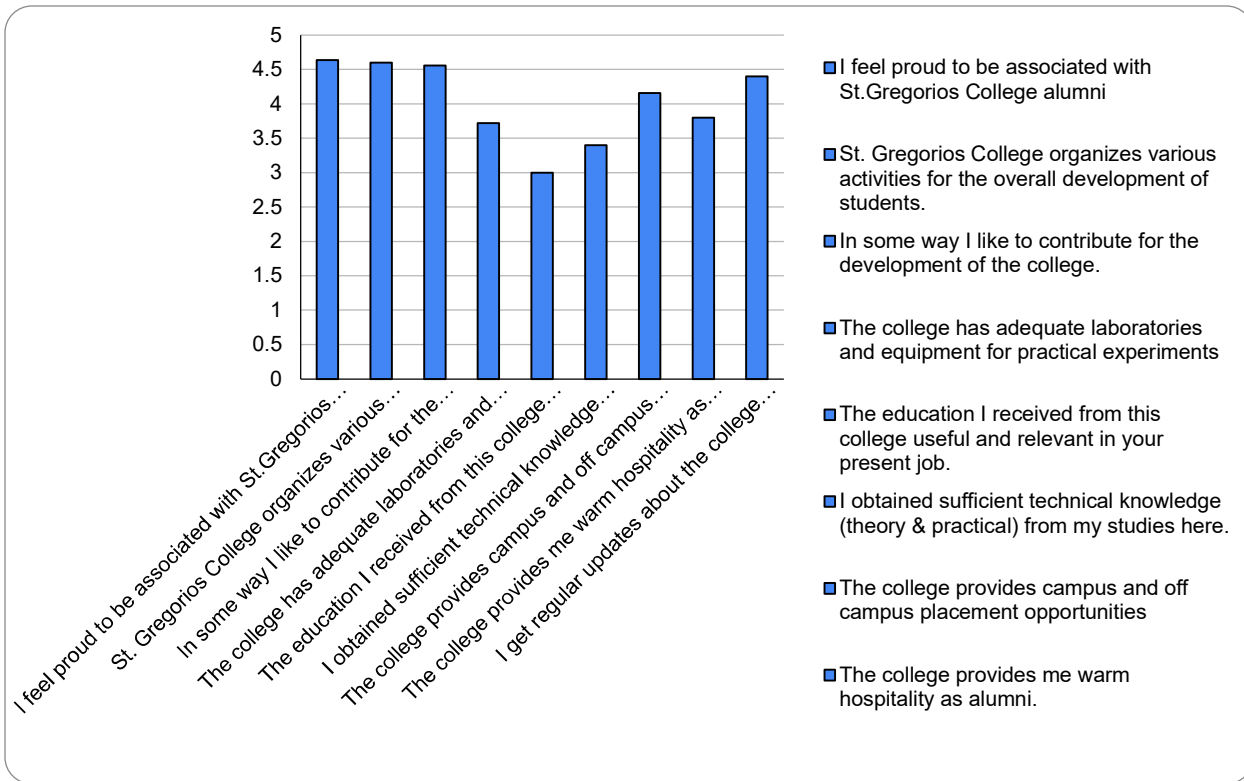

The Internal Quality Assurance Cell (IQAC) of St. Gregorios College, is in close communication with the Alumni Association of the college through local members and also the Chapters in foreign countries. The IQAC collects the alumni feedback on curriculum through offline and online modes. A well-structured questionnaire has been used to collect responses. The alumni are invited to evaluate the contribution and relevance of the curriculum in their present job/studies. It also tries to evaluate their sense of moral, emotional and intellectual affinity towards the parental institution. Emphasis is also given to highlight any area of the curriculum that needs improvement.

This feedback report tries to give a vivid picture on the alumni feedback system through systematic analysis of the responses.
