About the Institution

St. Gregorios College takes its name from Saint Gregorios of Parumala who is our patron Saint. The college was founded in 1964 by His Grace Mathews Mar Coorilos, the Bishop of Kollam Diocese who later became His Holiness Moran Mar Baselios Marthoma Mathews II, the Catholicos of the East. The founding of the college was the successful realization of a long cherished dream. His Grace Mathews Mar Coorilos who always desired to increase and expand the educational facilities within the diocese, worked tirelessly in that direction surmounting various difficulties. The foundation stone of the college was laid by His Grace Thomas Mar Dionysius the then Metropolitan of Niranom Diocese at 10am on Monday, 22 June 1964 and the college was declared open on Monday, 6 July 1964 by Late Lamented His Holiness Moran Mar Baselios Ougen I the erstwhile Catholicos.

St. Gregorios College, Kottarakara has made its incredible mark as a committed Christian institution in the field of higher education in Kerala all through the last four decades. In spite of many constraints throughout its development, the college was able to maintain its excellence in all the fields of its activities. This institution has moulded over sixty thousand students who have blossomed out to our vast world. The college community has been passionately attempting to produce worthy citizens for nation building with a sense of social commitment and humanitarian outlook. We also seek to inculcate in them a deep spirit of service, love, and compassion for fellow beings.

Our Mission

To be a student-centric institution that promotes academic excellence and value orientation in young scholars, thereby empowering them to lead productive lives.

To be a reliable institution for higher education that promotes quality and consistency in teaching-learning, research and community outreach.

To instill in the students a tolerant, inclusive world view that emphasizes eco-consciousness and gender sensitivity.

To be a safe, welcoming space that provides students, including those facing various financial and familial challenges, the tools to thrive and excel in academics, sports, culture, or philanthropy.
