STUDENTS' FEEDBACK 2019-2020

During the year, the Internal Quality Assurance Cell (IQAC) of St. Gregorios College collected students' feedback on curriculum exclusively through online mode. A well designed and structured questionnaire has been used to collect the response of students.

Objectives of the feedback

The objective of the feedback survey was to analyze the relevance and importance of the curriculum, and how far it had attained in satisfying the need of the academic community. The structured questionnaire includes questions related to various aspects of curriculum which are highly relevant to students. The survey includes questions related to the adequacy of learning resources in the college, effectiveness of internal evaluation process, practical implications of curriculum including industrial visits, role of curriculum in stimulating innovative thinking and exploring new ideas and contents and objectives of curriculum design.

About the Survey.

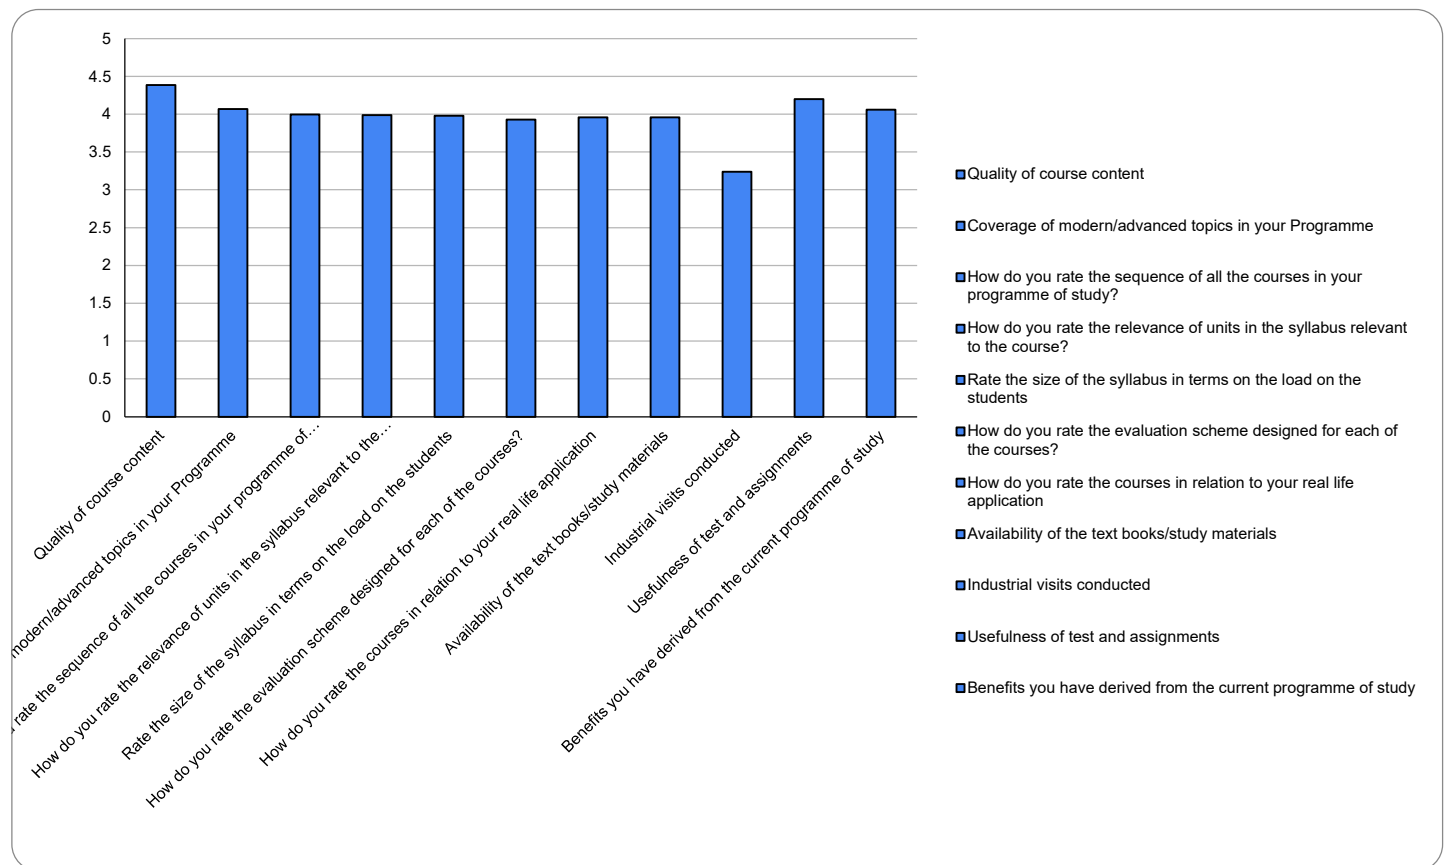

The students' feedback on curriculum is collected through structured questionnaire and quantified and analyzed using five point scales. The analysis of data and the findings are given below.
