#### PARENTS' FEEDBACK REPORT 2020- 2021

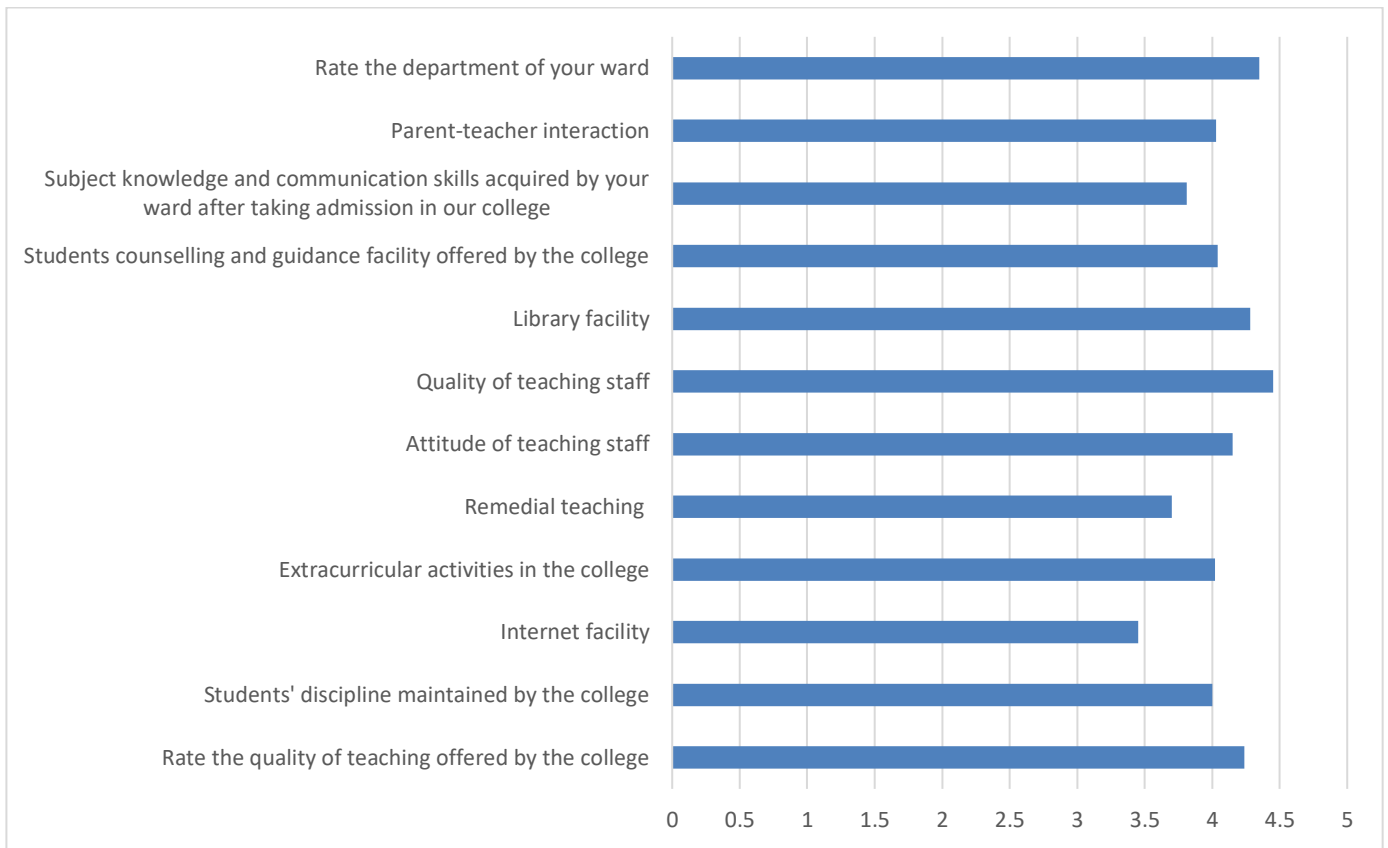

Every year, the Internal Quality Assurance Cell (IQAC) of St. Gregorios College, in association with the Parents Teachers Association (PTA), collects parents' feedback on curriculum and the overall efficiency of the college. Furthermore, the IQAC distributes structured questionnaires to parents both online and offline. The goal of the feedback is to assess the effectiveness and content of the curriculum executed in the college, job orientation and career opportunities, curriculum content relevance, the role of curriculum in strengthening scholarly competence, and the institution's commitment to fostering ethics and values in students. Furthermore, the feedback assesses the ward's overall personality development as well as the college's infrastructures such as the library, laboratory, and computers.
